Natascha's Definition of Success
"when the students I serve set goals, achieve
these goals and then positively influence the
communities around them as a direct result of
the inspiration they've received from my
service."

I had the opportunity to experience Natascha's life
through her vivid speech, in which she shared trials
and tribulations we can all relate to. Natascha's story
inspired me a lot!

TB, Male Student
Fenway High School, Boston, MA

Shaneka Atherley, Education Teacher
Atlanta, Georgia - Public Schools

Phenomenal workshop on networking at the WECAN conference, and I still practice your tips often.

Shirley Sun, Harvard Grad Student
UCLA Alum

Never came across a person that has made me feel that there was a reason to hope for a better world.

Marcus Sharp, Financial Controller-VP
